Upcoming Exams

Instructors can view upcoming exams that students have scheduled to take in their alternative testing location in Simmons Hall in the Alternative Testing module in the Instructor Portal in STARS. Instructors can view the details of each testing appointment and upload the exams for testing appointments in the Alternative Testing Module as well.

The list of upcoming exams scheduled by students will appear on the Alternative Testing module page. From this view, you will be able to view the general details of each request, like date, time, and student, as well as if the student's alternative testing location has approved the testing request.
